

Formed by the employees of Bland & Associates in late 2014, Bland Cares Foundation was created because our firm wants to give back to the community we are so grateful to call home.

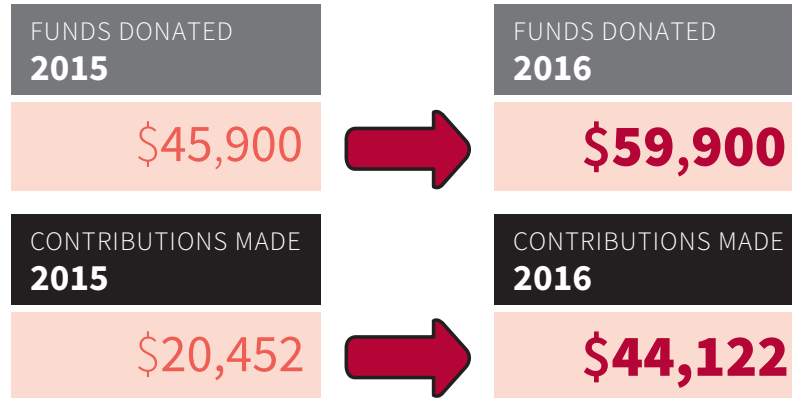

Using employee, partner and firm matching contributions, Bland Cares Foundation makes donations to local non-profits who make it their mission to help others.

BUILDING **COMMUNITY**

FINANCIAL HIGHLIGHTS 2015-2016

2015 was our first full year of operation, and we could not have anticipated the enthusiasm our staff and the community had for the organization. Using that momentum, we were determined to raise more money and make more donations in 2016.

In-kind efforts included:

2016 Operation Substitute Santa – Child Saving Institute

2015 Channel 94.1 Diaper Drive – Lydia House

2016 & 2015 Susan G. Komen Packet Pickup

Hosted Annual Angels Among Us Golf Outing

Raised \$21,850 in May 2015

Raised \$25,275 in May 2016

The funds raised at the golf outing made it possible for the organization to sponsor four additional families each year!
